Teague Park and Pond Waterway Cleanup for Saturday, February 18, 2012 9:00 a.m. to 12:00 Noon

The Waterway Cleanup this year has a new location! Teague Park and Pond was chosen for beautification to help prepare the area for community use. This is a great opportunity to see the improvements that have been finished, and to become familiar with the amenities the park has to offer.

Volunteers can help beautify the park grounds with litter pick up, including the streets and curbs, picnic areas, walking path around the pond, walking trails in the park, water's edge at the pond, amphitheatre, and limb or brush pick up.

The Longview Fire Department's Dive Team will be at the park during the cleanup to demonstrate water search techniques, and to display their equipment. They will also be helping clear the pond of debris.

Volunteers may register at the Volunteer Center table (in the pavilion) which is across the parking lot from the pond. Areas for cleanup will be designated at that time.

Kick off: 9:00 a.m. - 9:30 a.m. at Teague Park and Pond, 415 American Legion Blvd.
Volunteers may register, receive litter supplies, and enjoy refreshments.

Main Event: 9:00 a.m. - Noon. Litter pick up, brush and debris pickup.
Working volunteers are eligible for a lite lunch.

Cost: Free. Litter supplies provided.
